

National Stormwater Day Webinar

Thu **Nov 16** 2023

1:00 PM - 2:15 PM ET

The webinar commemorates the first **National Stormwater Day** and will bring together leading experts in the field to talk about the impacts of the MS4 program, what people know about stormwater systems now and where the national MS4 program is leading.

Speakers

This event is led by the **National Municipal Stormwater Alliance (NMSA)** with participation from USEPA. 1.0 PDHs will be awarded for attending this webinar.
